Care Instructions

WASHING Before washing, thoroughly brush hair to remove any tangles. Gently hand wash with sulfate-free and paraben free shampoo and lukewarm water. Never rub the ends of the hair together while washing. leave conditioner in for 5 minutes.

DRYING Gently squeeze out the excess water and blot with a cotton towel to detangle, brush hair starting at ends working your way up to roots.

STYLING Our hair can be styled using a boar's hair bristle brush, flat iron, or curling iron. Avoid direct heat on the very top of weft.

PRODUCTS Use only sulfate-free and paraben free products. Use our luxury brands, not all products are extension compatible. Avoid products containing alcohol, oil, or ethanol. These ingredients can leave your hair dry and frizzy.

VACATION Use caution with applying and using sunscreen. Some sunscreens, including spray sunscreen, have chemicals that can cause discoloration to the hair. We do suggest a vegan or all natural non aerosol sunscreen to prevent discoloration.
